The PBL Academy would like to invite you to an afternoon of PBL Principles and Christmas Goodies

19 December 2019, 13.00 - 15.30
AAU Aalborg, Kroghstræde 3, Room 4.128

In 2020, it is 10 years since AAU first adopted the PBL principles intended to guide and frame how we interpret PBL across faculties, departments and educations.

Back in 2010, AAU hosted an international conference to display various perspectives on learning and to promote the new principles. In 2020, AAU will once again host an international PBL conference and no doubt questions and comments will be raised related to our 10 years of shared institutional PBL principles. Questions like: What do these principles actually mean? What do they look like in practice? What does it mean to do PBL?

In the PBL Academy we would therefore like to invite you to an afternoon of debate to share thoughts, queries and perspectives about the PBL principles in relation to our practices.

Program:
13.00: Welcome and introduction from the PBL Academy
13.15: Group work round 1 – looking back – sharing experiences with the PBL principles
14.00: Gathering key-experiences
14.15: Group work round 2 – thinking ahead – how should our PBL principles look five years from now?
15.00: Gathering inputs for potential change
15.15: Final comments and Merry Christmas

If you wish to participate in the afternoon of debate, please sign up here
