

## Tuition fee rates 2020

Master's programme	Tuition fee pr. semester in 2020
Advanced Power Electronics (Esbjerg)	50,400 DKK
Architecture, MSC in Engineering (Aalborg)	50,400 DKK
Architecture, MSc in Technology (Aalborg)	50,400 DKK
Bioengineering (Cand.polyt) (Esbjerg)	50,400 DKK
Biotechnology (Aalborg)	50,400 DKK
Chemical Engineering (Esbjerg)	50,400 DKK
Chemistry (Aalborg)	50,400 DKK
Communication Technologies (Aalborg)	50,400 DKK
Computer Science (IT) (Aalborg)	50,400 DKK
Control and Automation (Aalborg)	50,400 DKK
Culture, Communication and Globalization (Aalborg)	24,225 DKK
Development and International Relations (Aalborg)	24,225 DKK
Development and International Relations / China and International Relations (Aalborg/Beijing)	24,225 DKK
Development and International Relations / Global Refugee Studies (Copenhagen)	24,225 DKK
Economics and Business Administration / Finance (Aalborg)	24,225 DKK
Economics and Business Administration / Innovation Management (Beijing)	24,225 DKK
Economics and Business Administration / International Business (Aalborg)	24,225 DKK
Economics and Business Administration / Marketing (Aalborg)	24,225 DKK
Energy Engineering / Electrical Power Systems and High Voltage Engineering (Aalborg)	50,400 DKK
Energy Engineering / Fuel Cells and Hydrogen Technology (Aalborg)	50,400 DKK
Energy Engineering / Mechatronic Control Engineering (Aalborg)	50,400 DKK
Energy Engineering / Power Electronics and Drives (Aalborg)	50,400 DKK
Energy Engineering / Thermal Energy and Process Engineering (Aalborg)	50,400 DKK
Energy Engineering / Wind Power Systems (Aalborg)	50,400 DKK
Entrepreneurial Engineering (Aalborg)	50,400 DKK
Environmental Science (Aalborg)	50,400 DKK

<b>Master's programme</b>	<b>Tuition fee pr. semester in 2020</b>
European Studies (Aalborg)	24,225 DKK
European Studies / China and International Relations (Aalborg/Beijing)	24,225 DKK
Geography (Aalborg)	50,400 DKK
Indoor Environmental and Energy Engineering (Aalborg)	50,400 DKK
Industrial Design, MSc in Engineering (Aalborg)	50,400 DKK
Industrial Design, MSc in Technology (Aalborg)	50,400 DKK
Information Studies (København)	34,500 DKK
Innovative Communication Technologies and Entrepreneurship (København)	50,400 DKK
Intelligent Reliable Systems (Esbjerg)	50,400 DKK
Lighting Design (København)	50,400 DKK
Management Engineering / Operations and Innovation Management (Aalborg)	50,400 DKK
Management Engineering / Operations and Supply Chain Management (Aalborg)	50,400 DKK
Materials and Nanotechnology / Materials Technology (Aalborg)	50,400 DKK
Materials and Nanotechnology / Nanomaterials and Nanophysics (Aalborg)	50,400 DKK
Mechanical Engineering / Design of Mechanical Systems(Aalborg)	50,400 DKK
Mechanical Engineering / Electro-Mechanical System Design (Aalborg)	50,400 DKK
Mechanical Engineering / Manufacturing Technology (Aalborg)	50,400 DKK
Medialogy (København)	50,400 DKK
Medialogy (Aalborg)	50,400 DKK
Medicine with Industrial Specialisation / Biomedicine (Aalborg)	34,500 DKK
Medicine with Industrial Specialisation / Medical Market Access (Aalborg)	34,500 DKK
Medicine with Industrial Specialisation / Translational Medicine (Aalborg)	34,500 DKK
Nanobiotechnology (Aalborg)	50,400 DKK
Networks and Distributed Systems (Aalborg)	50,400 DKK
Operations and Management Engineering (København)	50,400 DKK
Robotics (Aalborg)	50,400 DKK
Service Systems Design (København)	50,400 DKK
Signal Processing and Acoustics / Acoustics and Audio Technology (Aalborg)	50,400 DKK
Signal Processing and Acoustics / Signal Processing and Computing (Aalborg)	50,400 DKK

<b>Master's programme</b>	<b>Tuition fee pr. semester in 2020</b>
Sound and Music Computing (København)	50,400 DKK
Structural and Civil Engineering (Aalborg)	50,400 DKK
Structurel Design and Analysis (Esbjerg)	50,400 DKK
Surveying and Planning, MSc in Technology (Aalborg)	50,400 DKK
Surveying and Planning, MSc in Technology (Copenhagen)	50,400 DKK
Surveying, Planning and Land Management, cand.geom. (Aalborg)	50,400 DKK
Surveying, Planning and Land Management, cand.geom. (Copenhagen)	50,400 DKK
Sustainable Biotechnology (København)	50,400 DKK
Sustainable Cities (København)	50,400 DKK
Sustainable Design (København)	50,400 DKK
Sustainable Energy Engineering / Offshore Energy Systems (Esbjerg)	50,400 DKK
Sustainable Energy Engineering / Process Engineering and Combustion Technology (Esbjerg)	50,400 DKK
Techno-Anthropology (København)	50,400 DKK
Techno-Anthropology (Aalborg)	50,400 DKK
Tourism (København)	24,225 DKK
Tourism (Aalborg)	24,225 DKK
Urban Design / Mobility and Urban Studies, MSc in Engineering (Aalborg)	50,400 DKK
Urban Design / Mobility and Urban Studies, MSc in Technology (Aalborg)	50,400 DKK
Urban Design / Urban Architecture, MSc in Engineering (Aalborg)	50,400 DKK
Urban Design / Urban Architecture, MSc in Technology (Aalborg)	50,400 DKK
Urban, Energy and Environmental Planning / Cities and Sustainability (Aalborg)	50,400 DKK
Urban, Energy and Environmental Planning / Environmental Management and Sustainability Science (Aalborg)	50,400 DKK
Urban, Energy and Environmental Planning / Sustainable Energy Planning and Management (Aalborg)	50,400 DKK
Urban, Energy and Environmental Planning / Urban Planning and Management (Aalborg)	50,400 DKK
Vision, Graphics and Interactive Systems (Aalborg)	50,400 DKK
Water and Environmental Engineering (Aalborg)	50,400 DKK
