## How to login to the Application Portal

When you have entered the [Application Portal](#) you will be given a choice of three different ways to login.

Most likely you will need to login as a self-registered user.

The screenshot shows the login page of the Application Portal. At the top left is the Danish flag. Below it is the heading "AO0001 - Welcome page". The main text reads: "Welcome to the joint application portal for master's programmes, electives, continuing and further education and training at the Danish universities." Below this is a section titled "Select how you want to log in:". It states: "In order to use the portal you must log in using one of the following:" followed by a bulleted list: "• If you already have a login at a Danish University, select 'Log in', after which you must select your University in WAYF-list.", "• If you have previously created a user account for this portal, select 'Log in as self-registered user'.", "• If you want to log in using NemID, select 'Log in with NemID'." Below the list is an important note: "Important! Remember to use the same login in the future, so that you can find your applications again as they are identified by the email address, that is transferred with your 'Log in' information." At the bottom of this section are three buttons: "Login", "Log in as self-registered user", and "Log in with NemID". Below this is a section titled "New user?". It states: "If you don't have NemID or a login at a Danish University, you must first register as a user here. Use a personal email address, which you will always have access to. If you have any questions about the login to the application portal, you must contact the University for which you want to apply for admission on. Once you are a registered user, you must log in as a self-registered user." At the bottom of this section is a button: "Set me up as a user".

**Login** – only for applicants currently studying at a Danish University. Here you log in if you have an active login to a Danish university (so this is not really an option for you as you will be applying as an exchange or guest student from an international university).

**Log in as self-registered user** – use this if you already created a user and password in the Application Portal via **Set me up as a user** (see how to set up an user below).

**Log in with NemID** – if you are currently residing in Denmark, have registered with the Danish authorities and obtained a NemID you can use this to login. If you encounter an error from NemID, you can create a ‘self-registered’ user via **Set me up as a user** (see how to set up a user below).

**Please note** that it is important that you always login to the Application Portal the same way!

## How to set me up an user in the Application Portal

If you cannot login with **Log in** or **Log in with NemID** you can create a user by clicking **Set me up as a user** and you will be transferred to this page:

## How to create an application in the Application Portal

When you have logged in to the Application Portal, you can create an application. In the section **Create application** you can search for the Faculty to which you want to apply. First, choose Aalborg University as institution name and Exchange/Visiting Student - Incoming as type of education. Then click **search**.

**Choose institution and education**

\* Institution name:

\* Type of education:

**Search Results**

Select	Type of education	Education name
<input checked="" type="checkbox"/>	Exchange/Visiting Student - Incoming	Faculty of Humanities
<input type="checkbox"/>	Exchange/Visiting Student - Incoming	The Technical Faculty of IT And Design
<input type="checkbox"/>	Exchange/Visiting Student - Incoming	Faculty of Engineering and Science
<input type="checkbox"/>	Exchange/Visiting Student - Incoming	Faculty of Medicine
<input type="checkbox"/>	Exchange/Visiting Student - Incoming	Faculty of Social Sciences

Now choose the Faculty to which you want to apply. Click on **select**, then **create application** and follow the further instructions.

If you are not sure which Faculty you need to apply for, please see an overview of the AAU Study Boards here: <https://www.en.aau.dk/about-aau/organisation-management/study-boards/>. This will give you an idea of which areas are covered in what Faculty.

## Further explanations for selected areas of the application

Below you'll find some extra information on areas of the application that we often receive questions for.

### Further personal information (Person)

**Person** Home institution Host institution Learning Agreement Show application Send application

Alternative email address

\* Phone number

### English language documentation

Please select how you will be documenting your English language skills. All applicants need to document their English language skills one way or another.

Please note that if you believe that you are exempted from providing a valid test result you will need to provide documentation that shows that you are exempted. Your nationality alone will not exempt you.

If you are not sure if you are exempted from providing a test, please read the [information on English language documentation for exchange students](#). If your documentation is not described there, it is not considered valid English language documentation for exchange at AAU.

### Learning Agreement

In the section Learning Agreement you will need to upload your Learning Agreement signed by you and your home institution, your Learning Agreement will not be signed by Aalborg University at this stage. If you are not from an Erasmus partner, please upload the list of courses that you plan on taking while at Aalborg University.
